Through these workshops we will also be practicing brush control and wet onto dry watercolor techniques. However, you are welcome to experiment with other media and add changes to the paintings as we go along. Floral Resin Jewelry 🧑‍🎨 (681 Woolwich St, Guelph) In partnership with the Guelph Enabling Garden, Horticultural Therapist, Heidi, will be sharing with us the significant role nature plays in our well-being, and guiding us along in creating beautiful resin jewelry made from dried flowers. As this workshop is being held outside, please bring along anything you may need for your self-care – water (there is no potable water at the park), hat, sunscreen, snack, etc. Please note that this is a two-part workshop.

Fine Art with Floral Dye 🧑‍🎨 (709 Woolwich St, Guelph) This workshop explores the beauty of some exciting paint: flowers & greenery! Whether you are out foraging, have a backyard garden, or visit a nursery or even a supermarket, pigment is all around us and we can create some beautiful, vibrant fine art pieces just from what's right outside of our door in our natural earth. Working with natural pigments gets us outside to smell the fresh air and take in our surroundings, pushes us creatively, and encourages us to embrace the imperfections of unknown results we will get as we work with flowers. During this workshop, we will make a frame-worthy piece of art made from natural pigments, If you have one, please bring along a hammer. Feel free to also bring along any flowers or greenery from your own garden. As this workshop is being held outside, please bring along anything you may need for your self-care – water (there is no potable water at the park), hat, sunscreen, snack, etc.

Illustrated Journaling - Once a month, with some help from illustrator, Dylan Mierzwinski, and Skillshare, we will be creating full color-filled illustrated journal entries in this beginner-friendly creative workshop. We will be taking a mindful approach to working together through illustrated journal prompts to promote calm and pressure-free creativity. The supplies are basic; a blank journal or loose-leaf paper, markers, and pens (or whatever coloring tools you have lying around), scrap paper, and time set aside each month to support our mental health and creative wells! In Progress – During this workshop we will gather to work on projects in progress, offer each other encouragement and support to work through challenges blocking our creativity and motivation, and share newly accomplished pieces. To the Letter - Through the lessons of various Skillshare artists, during each workshop we will learn a new style of hand lettering to take your hand drawn quotes, signs, and mixed media to new levels. No experience necessary. This month, all that is required for supplies are a piece of paper, pencil, eraser, and a black pen!

What's Your Story? - Ultimately, we all deserve a story that supports a free mind, light spirit, and courageous heart. A story defined by openness and possibility, strength and self-awareness, confidence, and the fortitude to stand up for what's right – not just for ourselves, but for the world. A story that assures us, in our final hours, that we have lived the best version of ourselves. Join us monthly, writing to prompts that will help us unbind ourselves from the stories of who we once were and sets us on a path of who we are becoming.
