Recovery Learning groups are by self-referral and to register please email [selfhelpgroup@cmhaww.ca](mailto:selfhelpgroup@cmhaww.ca) letting us know which group you would like to register for.

**About Group Cancellations:** In the event that we need to cancel a group session, we will post it to our Facebook page at: <https://www.facebook.com/selfhelppeersupport>. We will also change our Group Cancellation line message at 1-844-CMHA WW3 (1-844-264-2993) ext. 4004.

**Help for the Hurting Heart** - This workbook-based group (Help for the Hurting Heart Workbook, by David Kessler) guides you through the grieving process in a way that leaves you feeling at peace and free to create a life of meaning after your loss. Please join us as David leads us down a path towards remembering with more love than pain. You can live a happy and fulfilled life, even after life's most painful experiences. Grief is a journey. ## Spark of Brilliance Group Descriptions

To register, email Marcey Gray at [mgray@cmhaww.ca](mailto:mgray@cmhaww.ca). This month's deadline for workshops that require supply kits (Botanical Watercolour, Reverse Colouring & Inspiration Deck) is Thursday, August 11. Spaces are available on a first come, first served basis. Enrollment in Spark of Brilliance is required \*prior\* to registration. Login information or location directions will be provided one day in advance of each workshop.

**Acrylics Education Series** - Anyone can master acrylic painting with the right skills! In this all-inclusive acrylic painting series, you will learn to achieve a wide range of painting techniques. Gain confidence to create any painting effect, style and image you desire! Learn from the nation's foremost acrylic expert and international best-selling author of acrylic painting books, including *Acrylic Revolution*. So, sit back and relax while you learn valuable information on your journey to becoming an acrylic pro! And please note, this is an educational series—we will be watching and learning together but we will not be creating anything together during this time.

**Botanical Line Drawing** - Line drawing is an easy art form featuring illustrative, doodle-like designs. It's used widely among artists of many types with both fine lines and bold lines. We will be learning to draw 20 types of cacti and succulents. All you will need for this workshop is paper and a black pen! You may wish to add color to your piece using the medium of your choice!

**Botanical Watercolour:** With the help of Skillshare and artist, Cat Coquillette, you will learn to paint botanical watercolors with a modern twist! In this class, you'll create four distinct watercolor paintings. During each project, you'll learn specific skills to help you fine-tune your painting skills and learn what makes watercolor such a unique medium. By the end of the class, you'll have a stack of botanical paintings that you created yourself! Please register no later than 4 p.m. on August 11 if you require supplies.

**Floral Resin Jewelry** 🧑🏻‍🎨 (709 Woolwich St, Guelph) In partnership with the Guelph Enabling Garden, Horticultural Therapist, Heidi, will be sharing with us the significant role nature plays in our well-being, and guiding us along in creating beautiful resin jewelry made from dried flowers. As this workshop is being held outside, please bring along anything you may need for your self-care – water (there is no potable water at the park), hat, sunscreen, snack, etc. Please note that this is a two-part workshop.

**Fine Art with Floral Dye** 🧑🏻‍🎨 (709 Woolwich St, Guelph) This workshop explores the beauty of some exciting paint: flowers & greenery! Whether you are out foraging, have a backyard garden, or visit a nursery or even a supermarket, pigment is all around us and we can create some beautiful, vibrant fine art pieces just from what's right outside of our door in our natural earth. Working with natural pigments gets us outside to smell the fresh air and take in our surroundings, pushes us creatively, and encourages us to embrace the imperfections of unknown results we will get as we work with flowers. During this workshop, we will make a frame-worthy piece of art made from natural pigments, if you have one, please bring along a hammer. Feel free to also bring along any flowers or greenery from your own garden. As this workshop is being held outside, please bring along anything you may need for your self-care – water (there is no potable water at the park), hat, sunscreen, snack, etc.

**Guelph Enabling Garden:** Activity to be announced. Please sign up for the Spark of Brilliance mailing list for updates by emailing [mgray@cmhaww.ca](mailto:mgray@cmhaww.ca)

**Illustrated Journaling** - Once a month, with some help from illustrator, Dylan Mierzwinski, and Skillshare, we will be creating full color-filled illustrated journal entries in this beginner-friendly creative workshop. We will be taking a mindful approach to working together through illustrated journal prompts to promote calm and pressure-free creativity. The supplies are basic; a blank journal or loose-leaf paper, markers, and pens (or whatever coloring tools you have lying around), scrap paper, and time set aside each month to support our mental health and creative wells! In Progress – During this workshop we will gather to work on projects in progress, offer each other encouragement and support to work through challenges blocking our creativity and motivation, and share newly accomplished pieces. To the Letter - Through the lessons of various Skillshare artists, during each workshop we will learn a new style of hand lettering to take your hand drawn quotes, signs, and mixed media to new levels. No experience necessary. This month, all that is required for supplies are a piece of paper, pencil, eraser, and a black pen!

**Inspiration Deck** - Are you feeling joyful? Are you creative every day? Do you meet the blank page in your sketchbook or journal filled with ideas? Between our own personal struggles, the busyness of daily life and the state of the world, sometimes joy and inspiration can be elusive. When we invite joy into our days and make time for creativity, it's transformative. Being creative, celebrating joy... they're nourishing forms of self-care. In this class you're invited to take time to dig deep in answering the question: Where do you find joy? Using your answers, you'll create a personalized inspiration deck that you can use to bring more play and creativity into your days whenever you need it. This workshop is made possible by Skillshare and artist, Anne Butera. Please register no later than 4 p.m. on August 11 if you require supplies.

**Reverse Colouring** - In this workshop you'll learn watercolor techniques with water-based brush pens and will create an abstract piece you will be proud to show off - and you'll relax while you do it, too! No prior knowledge or experience required. At the end of the class, you'll have a beautiful piece of art you'll be proud to display. Pre-painted backgrounds will be provided for your doodling pleasure. Please register no later than **4:00 p on August 11** if you require supplies.

**What's Your Story?** - Ultimately, we all deserve a story that supports a free mind, light spirit, and courageous heart. A story defined by openness and possibility, strength and self-awareness, confidence, and the fortitude to stand up for what's right – not just for us, but for the world. A story that assures us, in our final hours, that we have lived the best version of ourselves. Join us monthly, writing to prompts that will help us unbind ourselves from the stories of who we once were and sets us on a path of who we are becoming.

**SAVE THE DATE: Cultivating Confidence through Creativity:**

Together, through a variety of in-person, creative activities we will learn how to recognize, appreciate, and accept our strengths and weaknesses; practice self-care; embrace failure; and build positive resilience. By the end of the series, participants can expect to feel more comfortable speaking in groups, have a new or greater appreciation of their abilities, an increased sense of belonging, and of course - confidence. The series will conclude with a final celebration in the New Year. Registration Requirements: Potential participants must: be 18+, be enrolled in Self Help & Peer Support/Spark of Brilliance services prior to registration, have attended three or more groups/workshops within the previous 12 months, be able to use general art tools and supplies independently without additional support or supervision, and complete a short application form.
