Zentangle - Take this opportunity to regain your creative balance. Put aside any worries and fears for a few moments. When you return, you can respond creatively, and constructively to whatever situations you encounter. You cannot focus on tangling and cultivate your fears at the same time. Through the Zentangle Method of drawing, you can relax, focus, expand your imagination, increase your awareness, and discover the fun and healing in creative expression.

Dyeing with Plants with Julia Masci -  During this workshop in partnership with the Guelph Enabling Garden, and Julia Masci, we will learn about dyes made from plants and the process of eco-printing. Using a variety of flowers, leaves, roots and common kitchen scraps, everyone will be able to create their own naturally dyed bandana. We will have time to look at and talk about local & historical plants dyes, while our bandanas "cook". All fabric will be pre-treated with Alum beforehand, & we will be using rust water. Gloves will be provided and are recommended* No experience required! As this workshop is being held outside, please bring along anything you may need for your self-care – water, hat, sunscreen, snack, etc. All supplies are provided at no cost. Spaces are available on a first come, first served basis, and are limited to 10 people.

Illustrated Journaling - Once a month, with some help from illustrator, Dylan Mierzwinski, and Skillshare, we will be creating full color-filled illustrated journal entries in this beginner-friendly creative workshop. We will be taking a mindful approach to working together through illustrated journal prompts to promote calm and pressure-free creativity. The supplies are basic; a blank journal or loose-leaf paper, markers, and pens (or whatever coloring tools you have lying around), scrap paper, and time set aside each month to support our mental health and creative wells! In Progress – During this workshop we will gather to work on projects in progress, offer each other encouragement and support to work through challenges blocking our creativity and motivation, and share newly accomplished pieces. To the Letter - Through the lessons of various Skillshare artists, during each workshop we will learn a new style of hand lettering to take your hand drawn quotes, signs, and mixed media to new levels. No experience necessary. This month, all that is required for supplies are a piece of paper, pencil, eraser, and a black pen!

In Progress - During this workshop we will gather to work on projects In Progress and offer each other encouragement and support to work through challenges blocking our creativity and motivation and share newly accomplished pieces. Bring along whatever you are working on, whatever the medium.

Introduction to Handbuilding -  In partnership with the Guelph Enabling Garden and the City of Guelph we will learn to manipulate clay as we master basic hand building techniques. Lava Stone Mood Bead Bracelets with Rachel -  Let's take a ride on the retro train! Back to the 70's, we're going to be making three stretchy mood bead bracelets. Featuring real lava stone, glass beads, tassels, charms and color-changing mood beads, these bracelets will help to center you in your everyday emotional journey. Essential oils can be added later to the lava stone beads to recharge you (peppermint) or relax you (lavender). These funky bracelets will last a long time and can match any ensemble. Keep them for yourself or give them to someone else as a gift! All supplies are provided at no cost. No experience required. Spaces are available on a first come, first served basis, and are limited to 10 people.

Memories of Japan* - This workshop is facilitated by our friend and Certified Zentangle Teacher, Cindy, and comes with a great story that she will share in class. It is based on the lesson plan from CZT, Yvonne Westover. We will draw an easy cherry blossom and tree branch. Adding watercolor makes this one come to life, but it looks great in black and white as well. With the scan of a real stamp from Japan and the Japanese book paper add another lovely layer to this one. No experience required!

Pumpkin Centerpieces -  This workshop is always bittersweet because it's our last GEG workshop of the year, but we also get to make an incredibly pumpkin centerpiece for our dining room table or front porch. Using full-sized pumpkins, which we will clean out and prepare, we will create impressive display pieces using plants from the GEG garden. People will ask you where you go the very professional looking display, and you will get to brag that you made it! No experience required! As this workshop is being held outside, please bring along anything you may need for your self-care – water, hat, sunscreen, snack, etc. All supplies are provided at no cost. Spaces are available on a first come, first served basis, and are limited to 12 people.

What's Your Story? - Ultimately, we all deserve a story that supports a free mind, light spirit, and courageous heart. A story defined by openness and possibility, strength and self-awareness, confidence, and the fortitude to stand up for what's right – not just for us, but for the world. A story that assures us, in our final hours, that we have lived the best version of ourselves. Join us monthly, writing to prompts that will help us unbind ourselves from the stories of who we once were and sets us on a path of who we are becoming.
